OUR GREATEST NEED IS FOR SATURDAY LATE SHIFT

The State of Illinois Charitable games Dept. has rulings which affect the reporting of volunteers for charitable gambling events. We need to provide the State the name, address, and social security # and date of birth of all our volunteers. The reason the State requires this information is to prevent illegal charitable fundraisers who are "paying" their dealers and other volunteers.

The state is SERIOUS about enforcing this rule and has made on-site visits at charitable events to monitor the accuracy of the reporting. The penalty for failure to turn in the proper information is steep. We must have all information into the state prior to the event. Your help and cooperation is appreciated.
